Girls Auskick Program

**Date of Program:**
Starts Thursday 1st May 2014

**Time of Incursion:**
2.00-2.45pm.

**Venue:**
Maramba Primary School

**Cost:**
$45.00, due 4.00pm on Thursday 27th March 2014

**Details of Incursion:**
Beginning in term two (May 1st), Maramba will once again be running a girls only Auskick program over 5-6 weeks on Thursday afternoons from 2.00-2.45pm. This program is being co-ordinated in conjunction with Hallam Secondary College and the Dandenong Stingrays.

Each Thursday, female year 11 students from Hallam’s A.F.L Sports Academy will plan and implement the Auskick program, while at the same time being assessed as part of their sport and recreation studies for the year.

We are aiming the program at girls from grades 3 to 6 and would encourage as many students from these year levels to take part. Highlights from previous years included our girls playing on the M.C.G at half time during A.F.L football matches.

We believe that the modelling from the secondary school students will act as positive reinforcement for girls to continue sport through their teenage years and the health and social benefits it develops. By offering this program to girls only, we hope to achieve many benefits.

- It promotes equal opportunities for girls to participate rather than hold back being dominated by over-enthusiastic boys.
- Girls will be motivated to work together as they will be less intimated by the physiological advantages of most boys.
- Girls will have similar abilities levels.
- The girls will feel are greater sense of achievement.
- It promotes girls and sport.

To take part in the N.A.B Auskick program students will have to pay $45. The girls will also receive a footy pack which includes a backpack, football and a cap.

*There are only 40 spaces available* for interested girls from grades 3 to 6 so placements will be filled by the students who are first to pay their registration of $45.

If payment is not received by the due date, your child will not be permitted to participate in this program.
