Dear Parents,

Your child will be given homework each Friday to complete for the week. This will include:

- A book response activity to be worked on over the term, which will be selected from the grid in their homework book.
- Spelling words to learn. Students are to select one of the spelling activities each week from the spelling grid and write the heading above the activity.
- Practise multiplication tables (a weekly focus will be given).
- Read for at least 15 minutes daily for a minimum of 4 days (total of 60 minutes a week, can include the weekend) and get it signed by an adult.

Both homework and reading diaries are due on Fridays.

Students who submit completed homework on time (including reading) will participate in a Rewards Club on Friday afternoons. Students who don't meet this requirement will complete their homework and reading quota during this time.

5 star homework expectations

1. Writing should be neat and written in grey lead only (unless the student has their pen licence).
2. Rule up pages with red pencil and ruler where spelling and tables practice are completed. And ensure work has appropriate headings.
3. Make sure all sections are completed. (If you are not sure how to do something ask your teacher before Friday.)
4. Enjoy doing your homework and do your best.

Homework Tips

- Help your child schedule a set time to complete homework at a time that suits both you and your child.
- Choose a space for your child to complete their homework away from distractions such as the television.
- Speak to your child’s teacher if your child is experiencing difficulty with the homework.
