16th February 2015

Dear Parents/Carers,

As part of the Visual Arts program, the grade 3 students will be creating and making individual treasure boxes. Could each student please bring a standard size shoe box from home and deliver it to the art room with their name and grade clearly labelled underneath by February 24th. Also if students would like to bring along photos of family/friends or anything that is special to them, these will later be stuck onto their box or placed inside. The students should be starting work on their treasure boxes in the next couple of weeks. Thank you for your support.

Regards Christine Locke

Visual Arts Teacher
