Important Swimming Reminders

Your child will begin swimming on Monday August 4th. Please make sure that your child has all items required for their swimming session on the day. Make sure you pack spare underwear and socks. No phone calls will be made for bags that have been forgotten.

To allow children to develop independence and responsibility for their personal belongings, please send along your child’s bag to school, even if you plan to be at the pool to assist.

It is important that children have bathers on under their uniform.

Children are given the opportunity to go to the toilet before their swimming class and shouldn’t need to leave the pool for this reason. Please explain this to your child.

Please do not hand out snacks to any child, including your own at the pool before or after their lesson. Apart from food allergy concerns, food is NOT allowed to be consumed at the pool or on the bus. Children will have eaten before leaving for their swimming class and have the option to finish their snacks when they return to school. You may put an additional sandwich or snack in your child’s lunchbox if you feel it’s necessary.

Parent helpers (MUST have a ‘Working With Children’ card) and are reminded that they are required to assist other students as well as their own.

Thank You,
Prep, Grade One and Grade 2 teachers
