**Details of Incursion**

Teasing, rumours and bossy or aggressive behaviour cause division and fear in the playground. Some older students use technology to wield power, leaving their targets feeling confused and alienated.

‘The Protectors’ use their super powers to stop bullying at school and in cyberspace.

‘The Protectors’ is a Brainstorm Production Play (1 hour session) which empowers students to stand up for what is right and fair, not to let themselves be a target, a bully or a bystander.
