Welcome to 2015

We have had a very smooth start to the year.

In Writing, students will be developing their skills writing narratives, recounts and expositions.

In Mathematics we will be revising place value, the four processes, angles, lines and shapes. We will continue using Maths games to challenge and extend students.

Our History unit this term will relate to the colonization of Australia, where students will sequence historical events and investigate the lives of people in Australia’s colonial past. How did Australian colonies develop over time and the significant events that shaped Australian colonies.

Our Science unit this term investigates how light helps us to see, how light travels, what are shadows and how light can be absorbed, reflected and refracted. Students will be involved in experiments that will highlight these facts.

Camp - 2015

This year grade 5 and 6 students will be attending camp together in Term 4 at Phillip Island.

The cost of the camp will be $390

Deposit is due by 20th March.

Total camp payment due 4th September.

Some of our school leaders will have the opportunity to participate in team building activities run through the C.H.I.P.S.

Homework

- Homework is given out on Monday.
- Due back Friday mornings.
- 80 minutes of Reading each week.

Congratulations to the Grade 5 & 6 students who have been selected as S.R.C. reps. this year.

Students selected for Peer Mediators will begin training in the next few weeks.
